IMPACT: State

Summary of Legislation: This bill provides that a retired member of the Indiana National Guard may be issued an Indiana National Guard license plate. It corrects a statutory reference regarding the plate.

Effective Date: July 1, 2005.

Explanation of State Expenditures: The potential expenditures involved with this proposal will depend upon the redesign work which must be completed on the existing National Guard license plates to comply with the proposal's requirements.

PEN Products (Prison Enterprises Network), the manufacturing and sales arm of prison-made products, charges the Bureau of Motor Vehicles (BMV) and other groups petitioning for the creation of a new license plate(s). These charges consist of:

- (1) \$3.80 per plate (flat plate).
- (2) \$4.30 per multi-colored flat plate.
- (3) \$450 one-time set-up. This includes plate set-up by PEN graphic designer.
- (4) PEN Products can prepare, but it is not required, camera artwork for the newly created plate at an hourly rate of \$45.

The funds affected are the PEN Products Revolving Fund and the Motor Vehicle Highway Account, which supports the BMV.

Background Information: In CY 2003, the most recent year for which complete data are available, 7,409

National Guard license plates were sold. Expanding the license plate availability to a retired member of the Indiana National Guard could contribute to the sale of additional plates.
